

IT EXECUTIVE ADVISORY PROGRAM

Our unique IT Executive Advisory Program are designed to provide the IT leader with the tools necessary to achieve their visions and goals through constructive and confidential conversations. Experienced coaches provide an objective sounding board and help IT executives become more self-aware while providing a broader perspective of the organization and his/her role within it.

PROGRAM OVERVIEW

Our unique IT Executive Advisory Programs are designed to provide IT Executive Leaders with the tools necessary to achieve their visions and goals through constructive, confidential conversations. Experienced consultants provide an objective sounding board and help IT executives become more self-aware and provide a broader perspective of the organization and his/her role within it.

The engagement is customized to meet the individual needs of the IT Executive starting from where they are. The specific priorities and target areas for the advisory sessions are determined at the first session with emphasis on discovery ways for the leader to position themselves for meeting their business and career aspiration.

Where are you now?

Where do you aspire to be?

“Mary possesses great listening capabilities and is a trusted advisor, committed to providing unbiased guidance in a safe/confidential environment. She focuses on eliciting information rather than telling you what to do. She personally helped me make improvements in terms of enhancing my visibility within the organization and improving my perceptions among leadership which, has led to an increase this year in the scope of my responsibilities.”

*Sr Director IT
Medical Device Manufacturer*
